“Can We Talk” is an evangelistic strategy that we follow to pursue The Great Commission. You can be a part of a 3 person visitation team that includes a team leader. The teams go out into our community making visits with people that have visited our church. “Can We Talk” also has a prayer team that stays in real time contact with the teams as they are visiting. Finally, there is a Logistics Team that prepares the information for the visits. “Can We Talk” meets on Sunday afternoons from 4:30 to 7:00 pm.
